

**MASTER OF SCIENCE WITH MAJOR IN MECHANICAL
ENGINEERING (NON-THESIS OPTION)**

Candidates for the Master of Science degree with non-thesis option must complete an approved program of at least 33 semester credits including:

1. Five (5) courses (15 semester credits) at the 5000 or 6000 level from the Mechanical Engineering course list shown in the catalog,
2. One (1) mathematics related course at the 4000 level or higher approved by the advisor,
3. Five (5) technical electives* (15 semester credits).

** Electives must be at the 4000 level or higher. Only two of the five technical electives may be at the 4000 level and must be approved by the graduate advisor.*
